6 Another man possibly in store when "LHO" was, aside from Pelaez." "a man from a moving company or some trucking company came in. He had a radio that needed to be fixed, a broken radio, and Lee Harvey Oswald came it."

10            Though "LHO" had said he had been in Florida and had looked into anti-Castro activities there.

13-4            "LHO" promised him and Philip, not Bringuier, his Marine manual.

15-6            After ass, he and Philip discussed meeting Oswald. But Raul says Philip never mentioned it to him.

16            When Vance was telling of recognizing Oswald on TV and telling his father, Liebeler cut him off. No test. on what he told his father.
